## STRENGTH CONNECTION EXPERIENCE

Karen Littlewood is asking you to re-elect her as President of OSSTF FEESO. She is a tireless worker who strives every day to protect public education and serve our 60,00 plus members.

First elected as President in March 2021, Karen Littlewood has been an active OSSTF/FEESO member since 2007. She began teaching elementary in 1991 in York Region, later moving to Simcoe County and becoming a secondary high school teacher in 2007.

Before becoming President, Karen served in multiple capacities provincially and locally. She takes great pride in connecting people and ideas in an effort to strengthen worker power and build the union.

As President, Karen has had to face many external as well as internal challenges. Karen works hard to make as well as maintain connections both in labour and in communities. She works to strengthen solidarity, all while reinforcing the pillars of the OSSTF FEESO Strategic Action Plan. Karen is always striving to improve her French language skills and loves engaging with members and others in both official languages.

Karen works to ensure equity; to collaborate to find creative solutions. She is approachable, direct, and honest. She strives to listen, learn and lead and always works with you to optimize solutions. She is a well-respected voice at the Canadian Teachers' Federation (serving there as a Vice President since 2023), the Ontario Teachers' Federation, the Canadian Council of the Canadian Labour Congress and the Ontario Federation of Labour.

Karen will continue to use her strength, build connections and use her background knowledge and experience to serve our members.

In Karen Littlewood, you have a president you can trust and count on. Karen is working for you.
